Primary Songs

Did You Ever See a Goldfish (tune: "Did You Ever See a Lassie")

Did you ever see a goldfish, a goldfish, a goldfish,

Did you ever see a goldfish go this way or that?

Go this way or that way or that way or this way,

Did you ever see a goldfish go this way or that?

(substitute other fish for goldfish in additional verses)

by Monica Edwards

Keep It Clean (tune: "Bingo")

We use water every day

In many different ways.

W-A-T-E-R

W-A-T-E-R

W-A-T-E-R

We need to keep it clean

Repeat, substituting a handclap for the W, then the W-A, etc.

Reprinted from Earth Children 2000 by Kathryn Sheehan and Mary Waldner, Ph.D., Council Oak Books

Rain Song (tune: "If You're Happy and You Know It")

First a little drop of rain hits the ground (tap, tap)

Then another drop of rain hits the ground (tap, tap)

Then another and another and another and another

And pretty soon we heard a different sound (splash, splash)

The Water Cycle Song (tune: "Clementine")

Evaporation, Condensation, Precipitation is what I say.

It is called the water cycle and it happens every day.
